

360-REJUVENATION NAIL ROOT SERUM

PRO EXCLUSIVE

0.22 fl. oz. | SKU 10516

WHAT IT IS

The 360-Rejuvenation Nail Root Serum is the first-ever nail rejuvenation serum that utilizes Defensin-molecules to target the real source of healthy nails – the root!

As we age, our nails become thinner, weaker, and more fragile. Life habits, including our diet, daily tasks, and hobbies, also affect our nails. The root of nail growth is located in the nail matrix, in the LGR6+ cells that produce our nails and are responsible for nail regeneration [Lehoczky and Tabin, 2015, Proceedings of the National Academy of Sciences USA].

The new 360-Rejuvenation Nail Root Serum is designed to help revitalize nails via direct messaging to nail-producing cells.

WHAT IT DOES

- Visibly improves natural health and the overall condition of the nails, nail root skin, and skin around the nails.
- Improves natural nail smoothness.
- Advances nail strength for less fragility.
- Hydrates and nourishes nails and the surrounding skin.
- Helps natural keratin production.
- Provides a full range of antioxidant protection.
- Optimizes nail growth metrics.

WHY IT'S DIFFERENT

- Contains a serum-high level of Defensin-molecules that specifically target nail-producing cells.
- Infused with a powerful collection of high-performing ingredients for a comprehensive nail rejuvenation approach, including Tara tree fruit extract, niacinamide, biotin, squalene, pentanol, methionine, and an advanced, know-how protected, anti-inflammatory and soothing complex.
- Delivers a wide range of benefits in one product.
- Studied in independent, third-party clinic and was shown effective.

RESULTS YOU NOTICE

- Up to 92% smoother nails with visibly fewer vertical and horizontal ridges.
- Up to 54% improvement in nail strength.
- Up to 78% more hydration of the nail root skin.
- First results in 30 days, progressive improvement throughout 3 months.

* Clinical study of women and men, ages 40-58. Individual results may vary.

FAQ

WHERE DOES THIS ODOR COME FROM?

The 360-Rejuvenation Nail Root Serum does not contain fragrance or chemicals to absorb the organic scent. The odor you can feel is the natural scent of key performance ingredients. The "smelliest" one is an essential amino acid, called Methionine. It is crucial to keep our nails strong, therefore our scientists added it to the 360-Rejuvenation Nail Root Serum. BTW, this amino acid is often also taken as a food supplement.

KEY PERFORMING INGREDIENTS AND TECHNOLOGIES

■ Age-Repair Defensins[®] PRO | Serum Level | DefenAge Exclusive

trigger nail-producing cells to revitalize nail

Defensins are natural molecules known to awaken dormant regenerative cells in our body. Multiple studies demonstrated their tremendous ability in helping our body make beautiful skin, hair, and nails. DefenAge contains an identical copy of human defensins made via biosynthesis; defensins are exclusive to DefenAge.

■ Methionine

nail strength

Methionine is an essential amino acid. It is a crucial building block of the nail.

■ Tara Tree Fruit Extract

protection, strengthening & beautifying

Caesalpinia Spinosa (Tara) Fruit Extract is an outstanding natural antioxidant, shown to be effective in protecting the nails and their keratin structure from damaging free radicals that can be caused by environmental stress, UV light, and harsh chemicals.

■ Vitamin B Complex | Niacinamide, Panthenol & Biotin

hydration • circulation • keratin

Vitamins B3 (niacinamide), B5 (panthenol), and B7 (biotin) are vital components of the nail-supporting system. The vitamins in this complex repair the natural moisturization of the nail and surrounding skin, revive oxygen supply, and activate nail keratin.

■ Fine Blend of Soothing and Calming Ingredients

addresses Inflamm-aging • calms nail environment

This formula is infused with a powerful and concentrated composition of soothing and calming botanical molecules, including extract from the flowers of 'love in a puff', a medical plant known as a cortisone-free alternative, Epigallocatechin Gallatyl Glucoside, a water-soluble form of one of the most active molecules found in green tea, and black currant seed extract.

DOES NOT CONTAIN: Abrasives, aluminum salts, animal-derived ingredients, BPA, BHT/BHA, chemical sunscreens (oxybenzone, avobenzone, and octinoxate), coal tar, colorants, formaldehyde-releasing agents, formaldehydes, fragrance, gluten ingredients (no wheat, oats, barley), human-derived ingredients, hydroquinone, irritating acids, mineral oil, oxybenzone, parabens, paraffin, PEGs, petrolatum, phthalates, polyethylene and polypropylene (microbeads), propylene glycol, retinyl palmitate, silicones, sodium laureth sulfate, sodium lauryl sulfate, strong emulsifiers, sulfates (SLS and SLES), talc, toluene, triclocarban, triclosan, triethanolamine. Not tested on animals.

FULL INGREDIENT LIST: Water (Aqua), Panthenol, Niacinamide, Pentylene Glycol, Squalane, Ricinus Communis (Castor) Seed Oil, Octyldodecanol, Glyceryl Stearate Citrate, Alpha-Defensin 5, Beta-Defensin 3, Biotin, Caesalpinia Spinosa Fruit Pod Extract/Caesalpinia Spinosa Fruit Extract, Cardiospermum Halicacabum Flower/Leaf/Vine Extract, Helianthus Annuus (Sunflower) Sprout Extract, Helianthus Annuus Seed Oil Unsaponifiables, Helianthus Annuus Seed Oil, Ribes Nigrum Seed Oil, Rosmarinus Officinalis Leaf Extract, Leuconostoc/Radish Root Ferment Filtrate, Methionine, Epigallocatechin Gallatyl Glucoside, Phospholipids, Tocopherol, Tocopheryl Acetate, Ubiquinone, l-Alanyl-l-Glutamine, Polyglyceryl-3 Stearate, Hydrogenated Lecithin, Phytic Acid, Caprylic/Capric Triglyceride, Pistacia Lentiscus Gum, Polyacrylate Crosspolymer-6, Phenoxyethanol, Albumin, Sodium Benzoate, Potassium Sorbate, Propylene Glycol, Sodium Chloride.

AM | PM DIRECTIONS: Twice daily, in the morning and evening, using the built-in brush, apply 1-2 pumps of the serum on all the nails and on the skin all around the nails on both hands. Push the button of the bottle to release a pump of the serum on top of the brush and then distribute the serum across all the nails and skin around the nails. Start with the first (distal) phalange, and then brush the serum toward nail end. Ensure the serum is distributed to the skin surrounding all sides of the nail. Leave on serum for at least 30 minutes or overnight. Okay to use on finger and toe nails.
