

10 LUXE HAND & BODY CREAM PRO EXCLUSIVE

4 fl. oz. | SKU 10512

WHAT IT IS

First ever defensin-containing cream for the hands and body.

WHAT IT DOES

- Visibly enhances firmness and cosmetic elasticity.
- Enhances the skin's barrier function and stimulates natural hyaluronic acid, laminin, and elastin.
- Enhances the smoothness of the skin's surface and the appearance of crepey skin.
- Offers immediate and long-term hydration, even in dry environments, and boosts the skin's natural ability to retain moisture. It results in an instant improvement in the appearance of the skin's firmness and fullness.
- Reverses signs of skin aging, premature aging, and sun damage.
- Relieves the feeling of dryness and itchiness.
- Visibly revives the appearance of the skin's texture and softens the knees and elbows.
- Smooths and softens the skin on the hands.
- Keeps the skin glowing all over the body.
- When used alongside body contouring treatments, it enhances the appearance of skin firmness.
- Recommended to use in conjunction with skin rejuvenation treatments such as peels, IPL, microneedling, and lasers to enhance the reduction of pigmentation, sun damage, crepiness, and mild skin laxity.

WHY IT'S DIFFERENT

- Contains Defensin-molecules and encompasses a compilation of 7 years' worth of knowledge and research on their clinical performance. Part of DefenAge's collection of over 5,000 5-star reviews!
- Provides anti-aging benefits on a global scale.
- Promotes new, younger, and healthier-looking skin.
- Effective on both the hands and body.
- Fast-acting: Results can be observed within the first week, with the complete range of outcomes achieved within six weeks.
- Non-irritating retinol alternative. Delivers retinol-like results.
- Rich luxurious texture, elegant feel, and a clean, fragrance-free smell.
- Absorbs quickly, is not sticky or tacky, and does not leave a greasy feeling.
- Four-pillar formulation strategy:
 - Global anti-aging (Defensin-molecules)
 - Natural moisturization & comprehensive barrier repair (Ophiopogon Japonicus Root Extract, Sinorhizobium Meliloti ferment)
 - Soothing & calming via anti-inflammation (sea whip, panthenol)
 - DefenAge's hero blend of ingredients proven to be well-paired with defensins (including niacinamide and squalane)
- Advanced clean beauty standards. No PEGs or animal- or human-derived ingredients.
- Created in direct response to the requests of healthcare professionals, providers of aesthetic services, and customers alike.

KEY PERFORMING INGREDIENTS AND TECHNOLOGIES

■ Age-Repair Defensins[®] PRO | DefenAge's Exclusive

promotes new 'younger' skin • anti-aging on a global scale • retinol alternative

Defensin-molecules naturally awaken dormant skin cells and spark a wound-healing response to create new skin. DefenAge contains an identical copy of human defensins made via biosynthesis; defensins are exclusive to DefenAge.

■ Niacinamide

firmness & elasticity • brightening • hydration

Niacinamide soothes, revives the skin's natural moisture barrier, renews the feeling of skin firmness and elasticity, and brightens overall skin tone. It is a part of DefenAge's hero blend of ingredients that are well studied and established to work together with defensins.

■ State-Of-The-Art Complex of Soothing Ingredients

skin calming

A strong, fast, and highly effective proprietary blend of soothing natural ingredients. Proven in multiple clinical trials, including with sensitive skin.

■ Ophiopogon japonicus root extract and Sinorhizobium meliloti ferment

skin barrier balance • natural hydration

Our "know-how"-protected, advanced, and powerful blend of natural extracts balances the skin's barrier, saves the skin's natural moisture, and promotes the levels of Natural Moisturization Factors (NMFs).

■ Squalane

moisturization • antioxidant

Energizes skin hydration. Prevents moisture loss while restoring the skin's visible suppleness and flexibility. Fights skin damage and free radicals.

■ Panthenol

soothing • protection

Helps the skin build up a barrier against irritation and improves its visible elasticity and smooth appearance. Hydrates the skin from within. Proven humectant.
