

# 8-IN-1 BIOSERUM PRO EXCLUSIVE

Defensin-concentrate

1.5 fl. oz. | SKU 10507

## WHAT IT IS

A biologically advanced serum concentrate delivers results equal to 8 separate serums. 'Smart' formula seems to understand your skin's needs better than your own DNA.

## WHAT IT DOES

- Improves the overall health and appearance of the skin.
- Rejuvenates smoothness. Improves overall visible skin health and quality.
- Minimizes the look of fine lines, wrinkles, pores, and skin pigmentation and discolorations.
- Promotes radiance and revives the skin's natural moisture for an ultimate glow.
- Brightens the overall skin tone and clarity, and enhances skin luminosity.
- Renews the feeling of skin firmness, elasticity, and texture.
- Helps improve the appearance of skin redness.
- Promotes the skin barrier and skin immunity.

## WHY IT'S DIFFERENT

- Advanced, targeted treatment with established and validated science to bring you a skin care product that is unlike any other on the market.
- Effective and safe retinol alternative. Non-irritating and gentle on sensitive skin, unlike retinol.
- Contains the highest possible concentration of defensin molecules.
- Lightweight application; "you don't feel it when you're wearing it".
- Effective and safe for the entire face, including the delicate skin around the eyes and lips, and the neck and décolleté.
- High-performing on crepey, thin skin on the neck and arms.
- Fast-acting anti-aging: first results are seen within a few weeks.
- Perfect as a daily skin care product for both men and women.
- Effective for all stages of skin aging, including for people over 70.
- Tolerated by all skin types, including those with rosacea and melasma.
- Highly effective for pre- and post- aesthetic procedures to achieve optimal outcomes, including microneedling and fractional and resurfacing laser treatments. Primes the skin to a quick and robust response. Optimizes healing and minimizes the risk of acne break-outs post-procedure.
- Effective in preparing skin before fillers — start using four to six weeks before procedures.
- DefenAge's most "likable" product with the most impressive consumer feedback.

## 10 SPECIFIC WAYS LEADING DERMATOLOGISTS RECOMMEND USING THE 8-IN-1 BIOSERUM:

**For daily use.** It's lightweight. "You can't even feel it when you're wearing it." — Dermatologist Vivian Bucay, MD

**For sensitive skin.** It delivers anti-aging results but it's "not irritating like a retinol or acids." Dermatologist Anne Chapas, MD

**For older age.** Even old skin has young dormant cells that can be turned on by defensins. "We saw a marked difference at 2 months" in a 73-year-old patient. Dermatologist Angela Bowers, MD

**For better skin quality,** including firmer skin, fewer fine lines, more luminosity and clarity, and a reduced appearance of pores. — Dermatologist Anne Chapas, MD

**After microneedling,** patients are "less likely to break out with acne post treatment." — Dermatologist Vivian Bucay, MD

"4 to 6 weeks **before having filler procedures**" to prep the skin and enhance results. Dermatologist Kathleen Welsh, MD

**Before and after ablative skin treatments,** which "primes skin to respond more quickly and robustly, healing faster." — Dermatologist Steven Swengel, MD

To target specific areas, including **around the eyes and lips.** — Dermatologist Angela Bowers, MD

Beyond the face: **on the neck and décolleté.** Dermatologist Steven Swengel, MD

**For crepey thin skin on the neck and arms.** Dermatologist Kathleen Welsh, MD

## KEY PERFORMING INGREDIENTS AND TECHNOLOGIES

### ■ Age-Repair Defensins<sup>®</sup> PRO | Serum Level | Exclusive to DefenAge

*promotes new, younger skin • anti-aging on a global scale • retinol alternative*

Defensins are natural messaging molecules. They signal our body to create new skin by activating our dormant reserve of “fresh” and young cells. DefenAge contains an identical copy of human defensins made via biosynthesis and is exclusive to DefenAge.

### ■ Niacinamide

*hydration • firmness & elasticity • brightening*

Niacinamide soothes, revives the skin’s natural moisture barrier, renews the feel of skin firmness and elasticity, and brightens the overall.

### ■ Hyaluronic Acid | Low Molecular Weight

*hydration*

Promotes hydration and improves texture for remarkably smooth and even skin.

### ■ State-Of-The-Art Complex of Soothing Ingredients

*skin calming*

A strong, fast, and highly effective proprietary blend of soothing natural ingredients. Proven in multiple clinical trials, including sensitive skin.

### ■ Fine Blends of Natural Antioxidants, Enzymes and Hydrating Technologies

*antioxidants • hydration • soothing*

Our “know-how”-protected, advanced and powerful blends of antioxidants and enzymes address environmental cell damage and defend against free radicals. They brighten, clarify and energize the skin for revitalized radiance and luminosity.
